III World Meeting on Terraced landscapes
TERRACED LANDSCAPES: CHOOSING THE FUTURE
Venezia - Padova | October, 6th - 15th 2016

Organization

ITLA International Terraced Landscapes Alliance - Italian Branch
Veneto Region | University of Padua | University IUAV Venice

www.terracedlandscapes2016.it

in collaboration with

Club Alpino Italiano | CNR-IRPI | Italia Nostra | Slow Food Italia
WWF Italia | WWF Trieste | Associazione Topolò Topoluove
Unione Montana Valbrenta | Comune di Marano Valpolicella
Provincia di Trento | Associazione Musei Ossola | CIPRA Italia
Comuni di Lavagna e Chiavari - Associazione Tu Quoque Vernazza
Club Alpino Italiano Sezione di Napoli | Condotta Slow Food di Marsala

After the previous Meetings hosted in China (Mengzi 2010) and in Perù (Cusco 2014), the Third World Meeting on Terraced Landscapes will be host in Italy. It will be an unique opportunity to participate in the generation of ideas, and in the formulation of multiple scenarios on the future of terraces in Europe and in the World.

Programme

● **6-7 october** | Venice

● **8-12 october** | Local venues

Inauguration
Thematic sessions and fieldtrips

In each local venue a thematic session on the following topics will take place:

- Costiera Triestina
- Topolò-Dordolla
- Canale di Brenta
- Valpolicella and Valdobbiadene
- Provincia di Trento
- Val d'Ossola
- Canavese and Valle d'Aosta
- Chiavari-Lavagna-Vernazza
- Ischia and Costiera Amalfitana
- Pantelleria

Ecology and biodiversity
Awareness through art
Agronomic and social innovation
Quality of food, quality of life
Rules and policies
Construction techniques and dry-stone walls maintenance
Landscape and tourism
Environmental and hydrogeological risk
Heritage and historic rural landscape
Water harvest, resilience and arid agriculture

Final plenary session

●● **13-15 october** | Padua

The working method of the Conference will include contributions by keynote speakers in the plenary, thematic sessions in local venues, fair for experiences and products' exchange (*dare-to-share fair*), debates, visits, and meetings with people who take care of terraced landscapes.

The detailed programme will be available in June 2016 at www.terracedlandscapes2016.it

How to participate

You can take part in the Meeting in many ways:

- presenting a **paper** in the thematic sessions in one of the local venues
- participating in the Fair for experiences with **posters, products or projects** during the plenary session of Padua
- sending a **video** for the Contest in Topolò-Dordolla, with final award in Padua (free)
- participating, as a class, in the **competition** promoted by the Italian Association of Geography Teachers and Italia Nostra (free)
- showing your own terraced area in the **exhibition** "A world of terraced landscapes"

Forms and terms of participation are available on the website www.terracedlandscapes2016.it

Registration

You can register to:

- **Complete Programme from 6 to 15 October** (10 days for terraced landscapes): fee includes transportation, food and accommodation in the local venues
- **Final Plenary Session in Padua from 13 to 15 October**: includes Fair for experiences and products exchange
